

ThermoWorks

TempTest® Blue

Bluetooth® Temperature Probe

Super-Fast® and Accurate

Proprietary thermocouple technology is accurate to $\pm 0.7^{\circ}\text{F}$ ($\pm 0.4^{\circ}\text{C}$) in 2-3 seconds. Leads all competitors. Range to 572°F (300°C).

Smart Display

Auto-rotating display intuitively flips right-side-up in either hand, any position.

Push-button Simplicity

Scroll to item on your app, insert probe, press button to capture. It's really that easy. Eliminates pencil-whipping.

Waterproof

Designed for daily commercial use, IP67 waterproof rating. Optional rubber boots for drop protection.

Long Battery Life

Up to 1,000 hours. Uses common AAA battery.

Real-time Visibility of Pass/Fail

Prompts for immediate corrective action, better accountability, and quicker response.

Connects to Most Smart Devices

Store and archive daily HACCP readings via mobile apps. Integrates with most food safety software providers.

ThermoWorks

CERTIFICATE OF CALIBRATION

Calibrated by ETI Ltd for:
ThermoWorks Inc.
1762 W. 20 S., Unit 100
Lindon UT 84042

Date of Issue: Tuesday, 08 October
Certificate Issued By: John Doe

System Accuracy

Calibrated as an integrated system. No separate meter & probe specs to combine in determining system accuracy. Includes NIST-Traceable calibration certificate.
